

Nye Cemetery, Muscatine County, Iowa						
Coordinates N41° 27.840' W090° 52.077'						
Compiled by Robert M. Jones - Le Claire, Iowa						
Starting from the intersection of Highway 22 (W. Front St.) and Clark Street, Buffalo, Muscatine Co., Iowa.						
Note: there is a Casey's store at this corner.						
Travel West on Highway 22 for 7.5 miles to Wildcat Den Road.						
Turn North (Right) and go 0.5 miles to the Cemetery which is on the right side of the road.						
Note; Some of the stones are very hard to read. Check all information yourself with the photos.						
Note; While you are here make sure to stop at the Pine Creek Grist Mill which is just up the road a little.						
Note; Dates before 1900 do not format as dates in MS Excel so all dates are entered as text instead of dates.						
Some data I used was from http://files.usgwarchives.org/ia/muscatine/cemeteries/nye.txt						
which was transcribed by Diana Hanson.						
I have the photos sorted into named folders so I will leave them that way to make them easier to find.
